

## We...

- Recognise that our work is never so urgent or important, that we cannot take time to do it safely.
- Expect our management and supervisory teams to lead by example, be responsible for the safety, health and wellbeing of their teams, and comply with relevant standards.
- Will continuously invest in building safety into all aspects of our business and in everything we do.
- Expect everyone in our workplace to take ownership of their own safety.
- Insist that safe methods and safe work practices are established and followed by everyone.
- Will provide our workers with the information, knowledge and resources to do their job safely.
- Will only engage contractors who share the same commitment to safety as us.
- Will actively involve and consult with our workers on safety matters.
- Support our workers in maintaining their own personal wellbeing.

## We believe that...

- Safety is driven by the attitudes and values of all our employees.
- All injuries are preventable.
- Safety is everyone's responsibility.
- Everyone is obliged to raise concerns about safety, and;
- We can always improve on our safety performance.
